

Don't aim to
be the best

Aim to keep
getting better

Be prepared to hit many walls before
you find a path forward

Rake away the rubbish you tell yourself

Not enough

I can't

Impossible

A toxic job
drains us

A decent job
sustains us

A healthy job
invigorates us

Compare yourself to yesterday's you

Not other people

Keeping it in your head:

Writing it down:

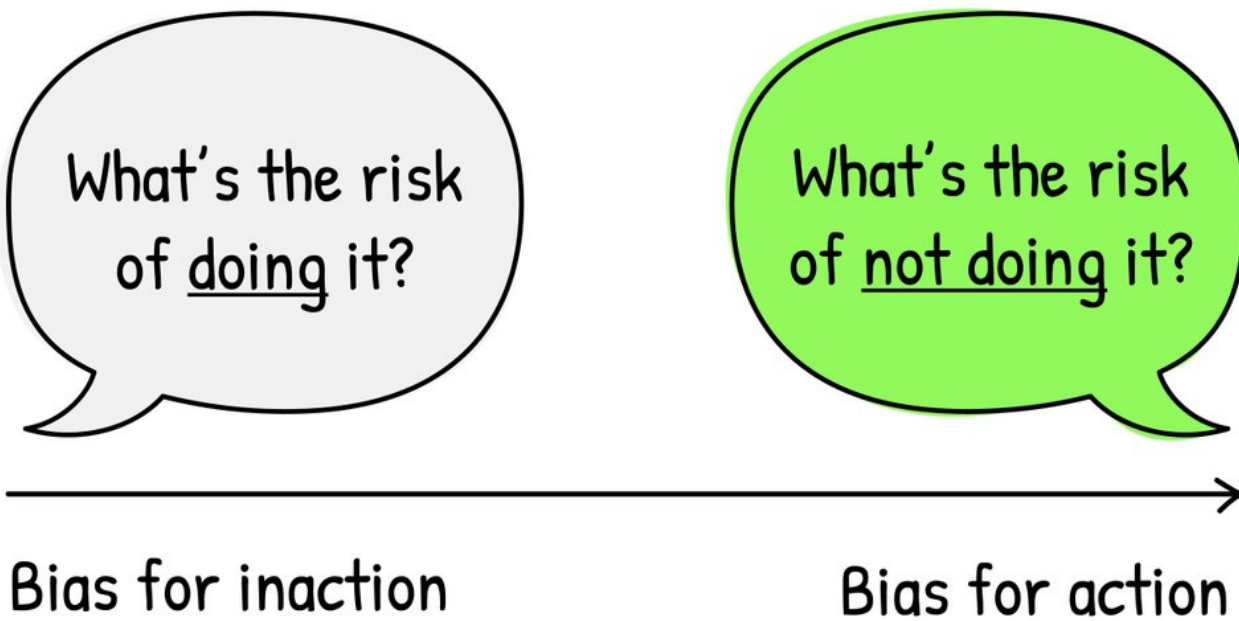

We don't get
lucky by waiting

We get lucky by
working hard

What's the risk
of doing it?

Bias for inaction

What's the risk
of not doing it?

Bias for action

Build the habit of showing up

Then raise the bar for HOW you show up

Slow progress...

...is better than no progress!
