and best **ANSWERS**

*(plus tips on what to avoid saying)*

# 1 Tell me your story

**Answer:** Share your career journey and how it brought you here (keep it under 5 minutes). Explain why you like this company and role, using examples from your past.

**Avoid:** Rambling or speaking badly about past jobs.

## **2** Why do you want to work here?

**Answer:** Talk about what you love about the company, like the culture. Mention the product and give feedback. Connect your interests to your past experience.

**Avoid:** Giving generic reasons or just mentioning things like pay.

### **3 What are your weaknesses?**

**Answer:** Pick a real weakness that isn't key to the job. Talk about how you're working to improve.

**Avoid:** Giving cliché answers like "I'm a perfectionist."

**4**

# What makes you different from other candidates?

**Answer:** Highlight your top 3 strengths that match the job. Give examples to back them up. Be confident and clear.

**Avoid:** Criticizing others or listing unrelated strengths.

**5**

# **Tell me about dealing with a difficult person.**

**Answer:** Focus on how you communicated and handled it professionally. Show your emotional intelligence.

**Avoid:** Speaking poorly about them or skipping how you resolved the issue.

6

**What's the toughest problem you've faced?**

**Answer:** Explain why it was hard and how you solved it with real examples.

**Avoid:** Talking about minor problems or taking all the credit.

# **7 Why are you leaving your current job?**

**Answer:** Focus on what you want to achieve next, like new challenges or learning opportunities.

**Avoid:** Criticizing your last company or focusing only on negatives.
