

If your net isn't in the water,
you won't be catching any fish!

Don't aim to
be the best

Aim to keep
getting better

Compare yourself to yesterday's you

Not other people

Slow progress...

...is better than no progress!

Must do :
☐ ~~~~~

Not everything
is a priority

CRITICAL THINKING

Things we think
we need to do

Things we actually
need to do

☒ Hell yes

☐ No

If you can't decide, then
the answer is NO

The problem isn't finding an open door:

It's deciding which door to keep open:
