

HOW TO WIN ANYONE IN LIFE:

**1.** If someone insults you,  
pause for a second and look  
at them and say  
"Are you okay?"

**2.** If you think someone is lying, look at their eyes and don't say anything.

**3.** If you're in an argument  
keep your voice calm, it'll  
give them the impression that  
you're winning the argument.

**4.** Good posture increases confidence.

Spread your body out and take up more space, it'll lead to increased confidence.

**5.** Your eyes dilate when talking to a person you love.

**6.** Don't put too much trust in friends, learn how to USE enemies. Never hate your ENEMIES.

It affects your judgement.

**7.** Win through your  
ACTIONS, never through  
your ARGUMENTS. Prove  
your point with ACTION!

Emotional arguments solve  
nothing. BE about that  
action!
