

A young boy with dark, spiky hair is shown in profile, looking down at a smartphone held in his hand. He has a cybernetic ear and some dark, paint-like markings on his face. He is wearing a dark jacket. The background is a room with a window showing a rainy street and a building across the way. The lighting is warm and orange, suggesting sunset or sunrise. There are some wires and a small screen visible on the left side of the frame.
