

# 7 Rules for a Successful Life.

( SWIPE LEFT )

# **1. Family Comes First:**

Never forget who was by your side from the start, make time for your:

- Family
- Friends
- Partner
- Children

Family First, work second.

## **2. Stop Comparing Yourself to Others:**

"Comparison is the thief of joy"

Focus on;

- Your purpose
- Your experience
- Owning your feelings
- Turning your attention inward.

The only competition is staring back at you in the mirror.

### **3. Find your Support System: You're a product of your environment.**

Surround yourself with people  
who are;

- Kind
- Honest
- Positive
- Energetic
- Supportive

Choose your friends sparingly  
and wisely.

## **4. Be Grateful for What You've:**

"I cried because I had no shoes until I met a man who had no feet"

Be thankful for;

- Your life
- Your job
- Your health
- Your family

Be thankful for whatever you've, no matter how small.

## **5. Accept your past and move on:**

Stop getting stuck in your past, learn from it to make a better future.

**The present is the only place you can:**

- Act
- Live
- Love

**Life is short, don't waste it.**

## **6. Invest in yourself:**

Never lose your childlike curiosity.

Be a life-long learner by;

- Reading books
- Taking online courses
- Learning from mentors
- Experience new things

The highest ROI comes from investing in yourself.

## **7. Respect yourself:**

People learn how to treat you based on how you treat yourself.

How to respect yourself;

- Take action
- Accept yourself
- Cut out negative people

You're in control of how you'll be treated.
