## **THE GREAT LAW**

Whatever energy and thoughts you put out to the Universe, you get back, be it good or bad.

## **THE LAW OF CREATION**

Life won't just happen to you. You need to take action and make things happen, rather than wait for everything to magically work out for you.

## **THE LAW OF HUMILITY**

Being humble enough to accept and understand that your current situation is a result of your past actions.

## **THE LAW Of Growth**

Control yourself, not others, and focus on your own personal growth. as real change starts with you.

## **THE LAW OF Focus**

Focus on one thing at a time, and as long as your focus is on spiritual values, you won't have any greedy and negative thoughts.

## **THE LAW Of Giving & Hospitality**

Give to the things you believe in from your heart.

Understand and acknowledge that your actions are a reflection of your inherent beliefs.

## **THE LAW OF Responsibility**

Whatever happens in your life, it happens because of you, and you need to own it. You are the choices you make.

## **THE LAW Of Connection**

Your past, present and future, everything is connected.

Your past actions determine who you are today, and your present will decide who you will be tomorrow.

## **THE LAW OF HERE AND NOW**

Living in the present moment is the only way to be truly happy.

Holding on to the past and obsessing about the future will only make you unhappy

## **THE LAW OF CHANGE**

History keeps on repeating itself unless you learn your lessons and change your life.

If you notice dramatic changes, it means you are growing.

## **THE LAW OF PATIENCE & REWARD**

Success requires patience, consistent hard work and the self-assurance that you will get the rewards for your efforts.

## **THE LAW OF SIGNIFICANCE & INSPIRATION**

Be it big or small, every contribution you make influences the Universe. Your positive actions will bring more positivity into your life
