WHAT IT REALLY
IS

N

Your Time.

WHAT PEOPLE REMEMBER YOU FOR:

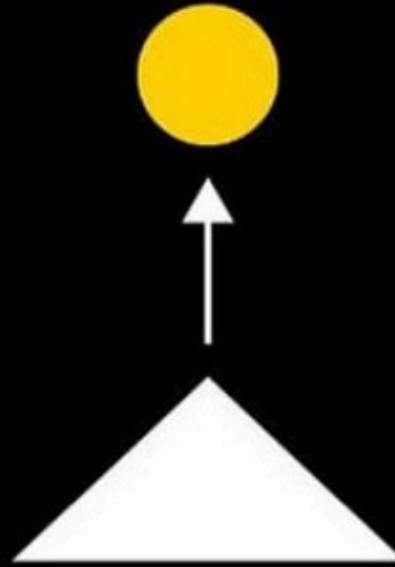

HIGHEST SALARY

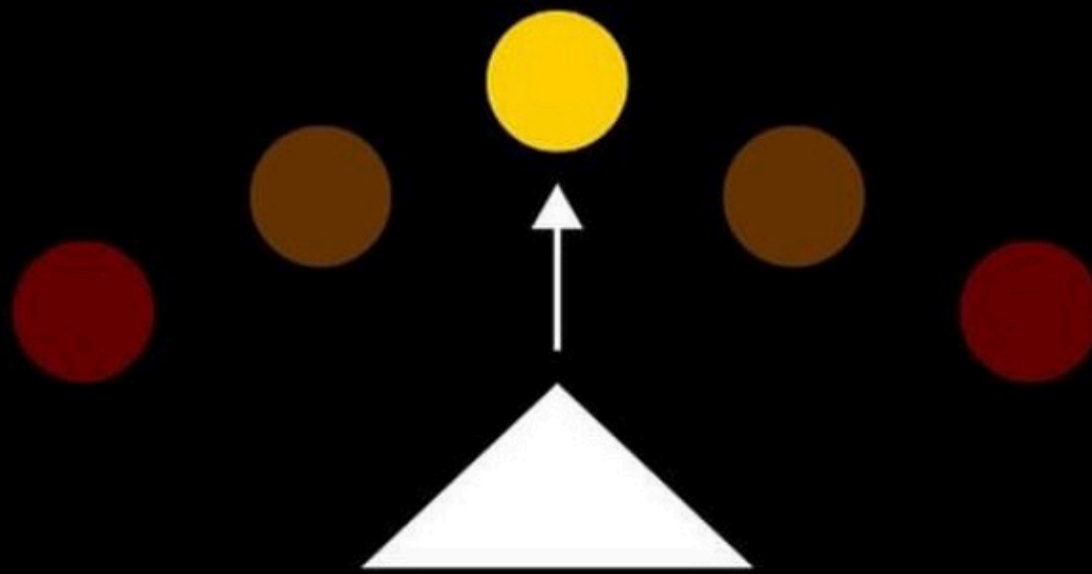

NICEST PERSON

People only see the decisions
you make

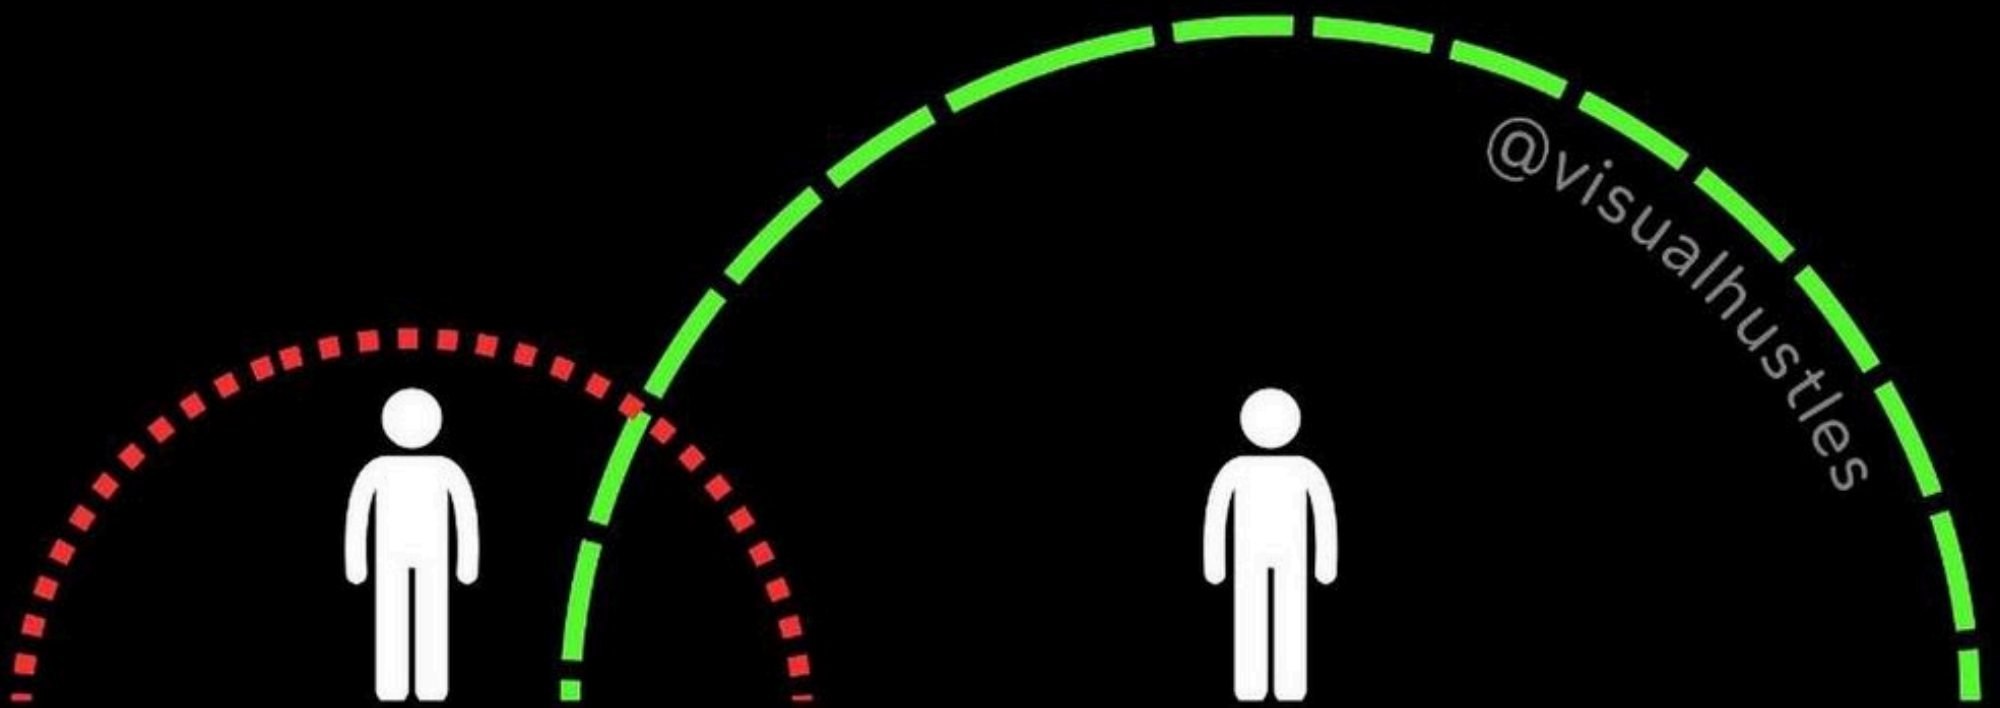

Not the choices you had.

@visualhustles

You are your only limit.

Open your eyes.

Social Media.

Real Life.

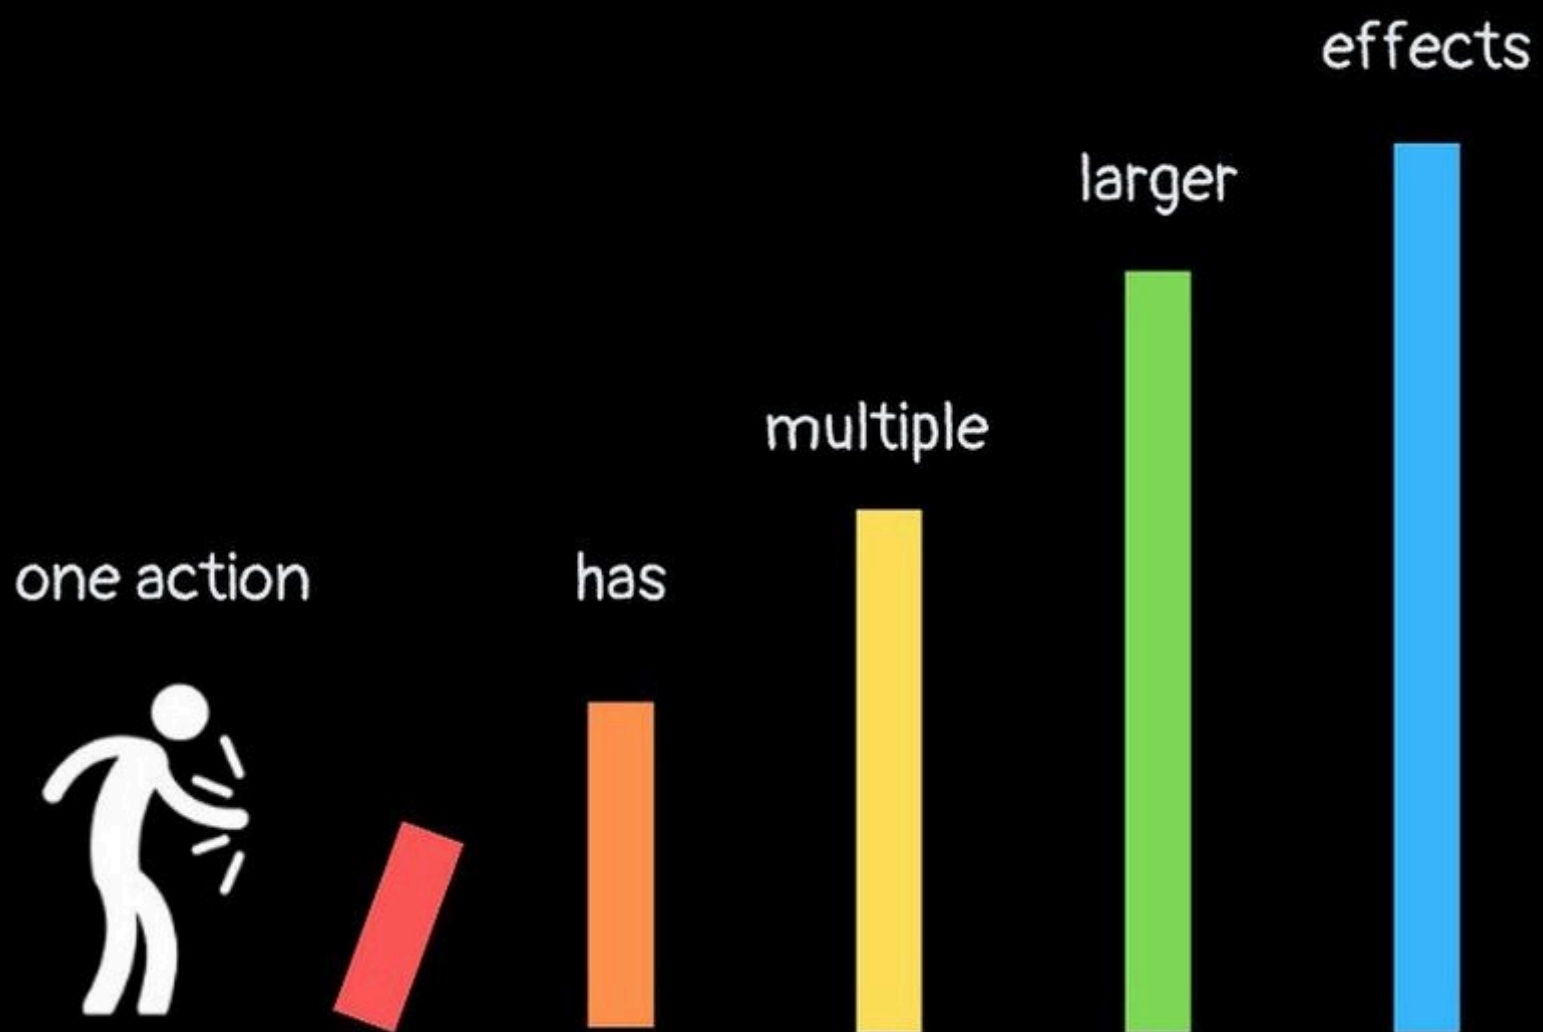

Better to shoot
and miss

@visualhustles

than let time run out
and wonder what if.

Stop being a prisoner of your past.

It was a lesson, not a life sentence.
