

8 THINGS THAT ARE TRULY A WASTE OF TIME

1. Watching TV.

2. Being in a relationship with someone just because you feel bored or lonely.

3. Trying to solve everyone's problems.

4. Trying to win every conversation that you have with people.

**5. Doing something just
because it makes your
parents happy while you're
unhappy.**

**6. Constantly complaining
about
something that you could
have already changed.**

**7. Creating fake problems
so that
you don't have to deal with
your real problems.**

**8. Trying to make
someone love❤️ you when
they are
not interested in you.**
