## 4. Gorgie

I don't drink energy drinks but I LOVE THESE! my husband and I literally have them every day!!

I really love it! it doesn't give me a crash i love that there is L-theanine in it 🌺

Love this because I'm super sensitive to caffeine, and this gives me the energy without the jitters and crashing! 😊💪

P.S. My hair has grown so much since I started drinking Gorgie! I have to use hair spray to make all the baby hairs lay down. 😱😊

Yes! I was admittedly a (°GORGIE°) sparkling mixed berry fanatic, until I developed reflux 😰. I couldn't 'stomach' the ingredients anymore, and have been searching for another sparkle of energy since. After drinking Gorgie the other day, I think I may have found it!

literally obsessed, i swapped my coffee because i love the smooth energy boost that i get from Gorgie 💪
