

Picks up five times more women than a Lamborghini.

Forget your Italian racers. This little babe-magnet is the Daihatsu Hijet MPV. Don't laugh. It packs in six comfortable seats, (four of them reclining). A five speed gear box. Two sun roofs for when things get hot. And even a 3 year/60,000 mile warranty for guaranteed staying power. But what really makes the Hijet MPV so attractive? The £167,503 change from a Lamborghini course. Our price is just £8,497 on the road. For more information call us on 0800 521 700. **THE HIJET MPV.**

There is still only one car that looks, feels, and performs like a Porsche 911: a Porsche 911. It is the one sportscar that manages to be both timeless and ahead of its time. And we're now making it very affordable for you to drive one. After all, we know how many decades you've waited.

PORSCHE®

How to beat the traffic home.

Ever since Porsche's first official win on July 11, 1948 at Innsbruck, Austria, Porsches have taken more checkered flags in sprint, endurance and rally racing than any other car.

Which is why a day at the races can be such an inspiring event for the spectator.

So inspiring in fact, that, for some of you, the thought of having to drive home in whatever it was you arrived in could be enough to make you plan a trip to your local Porsche dealer.

Tomorrow.

If not sooner.

CAN YOU SPOT THE VOLVO?

On June 12, 1990, a Volvo 240 ruined an otherwise perfect car crushing exhibition. According to Fred Shafer, monster truck driver, "I tried everything. The darn thing just wouldn't give." We couldn't ask for a better endorsement.

There's no tougher endurance race than Le Mans. Over 3,000 punishing miles in 24 hours at speeds often in excess of 200 mph. Last year, Porsche took the first five places. This year, the first eight. Next year, who knows? There's always room for improvement. Even at Porsche. **PORSCHE + AUDI**
