# 70/20/10

## Learning Rule:

The people who talk the most often seem to know the least, while the people who know the most are always asking questions.

## 2. 1-in-100 Rule

Out of 100 ideas, only

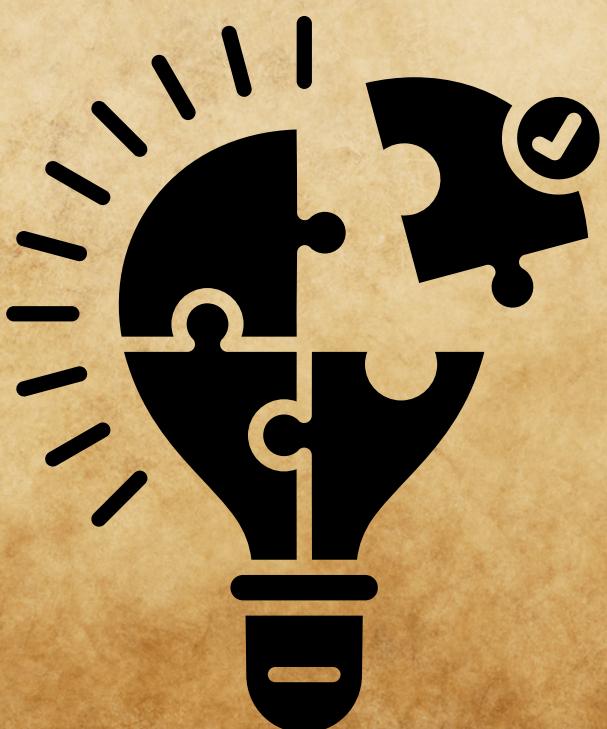

one will be truly

groundbreaking. Don't

fear discarding the

rest.

# 3. Rule of Three

Limit your daily to-do  
list to three main tasks  
to maintain focus and  
achieve more.

# 4. 10-Year Rule

When making big decisions, consider their impact over the next ten years, not just the immediate future.

# 5. 80/20 Feedback

## Rule:

80% of feedback should be constructive, while 20% should be affirming to foster growth and confidence.
