

What

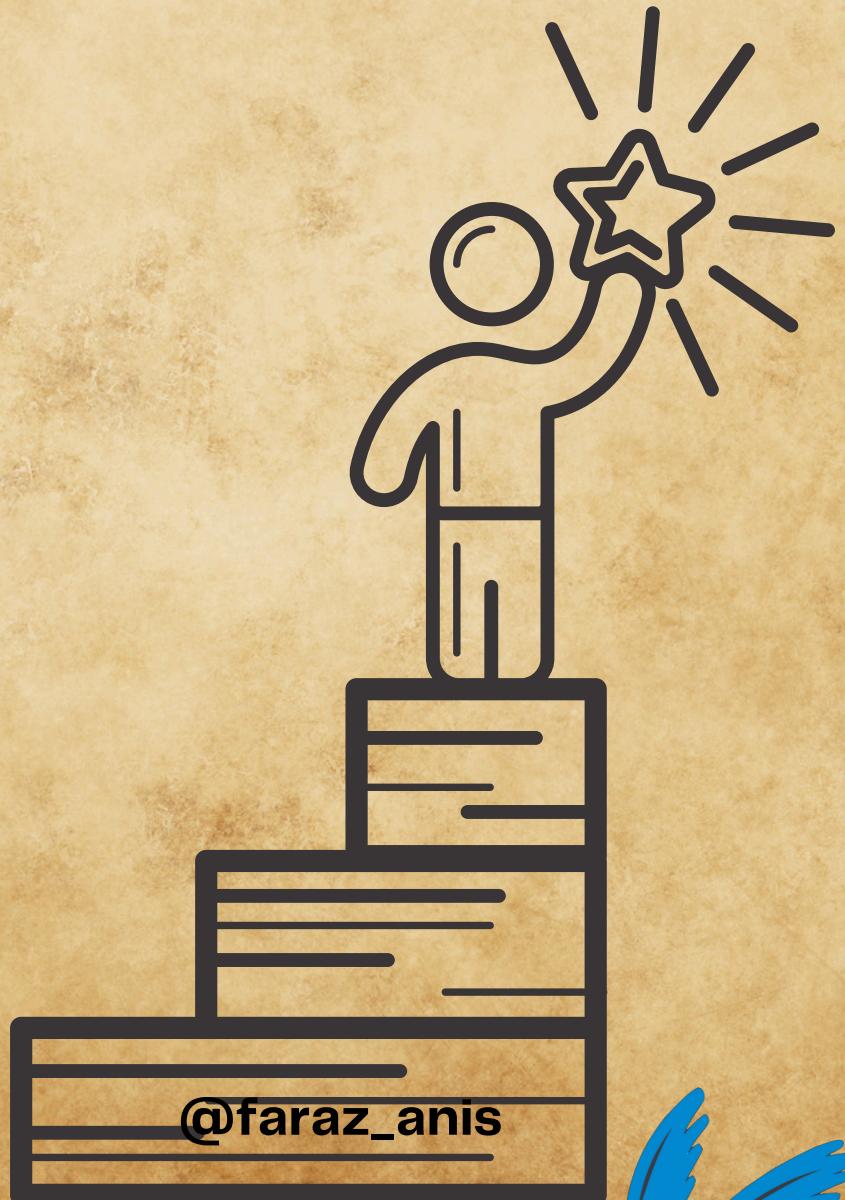

Successful

People Don't

Tell You About

Success

70/20/10

Learning Rule:

The people who talk the most often seem to know the least, while the people who know the most are always asking questions.

2. 1-in-100 Rule

Out of 100 ideas, only

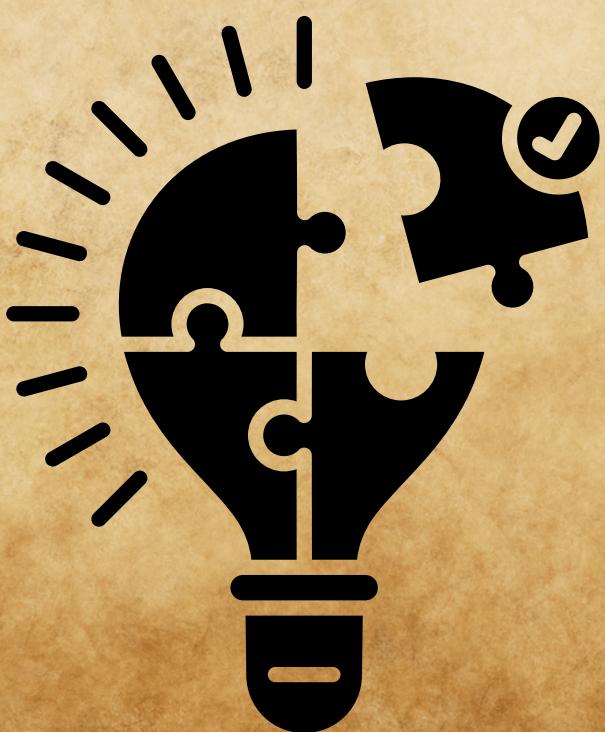

one will be truly

groundbreaking. Don't

fear discarding the

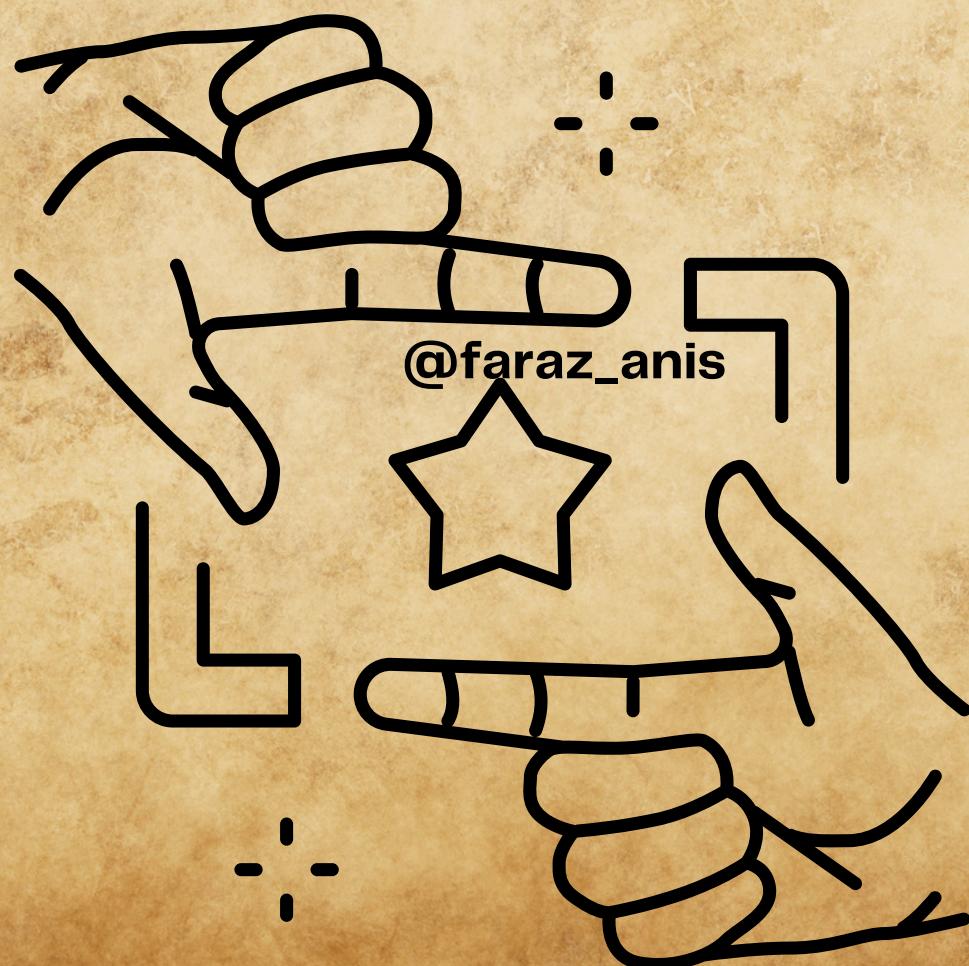

rest.

@faraz_anis

3. Rule of Three

Limit your daily to-do
list to three main tasks
to maintain focus and
achieve more.

4. 10-Year Rule

When making big decisions, consider their impact over the next ten years, not just the immediate future.

5. 80/20 Feedback

Rule:

80% of feedback should be constructive, while 20% should be affirming to foster growth and confidence.
