A wide-angle photograph of a rural landscape. In the foreground, there are rolling green hills dotted with small clusters of trees and shrubs. The middle ground shows more hills and a dense forest of tall evergreen trees. In the background, a range of mountains is visible, their peaks obscured by a light, hazy atmosphere. The overall scene is peaceful and pastoral.

Any such forward-looking statements, by their very nature, are subject to uncertainty and contingencies many of which are outside the control of World Fund. Past performance is not an indicator of future results.

Prospective investors are responsible for making their own examination of World Fund and the terms of the Fund and their own assessment of the merits and risks of investing in the Fund. They should consult their own legal, tax or other advisors before considering investing in the Fund. Investors should have the financial ability and willingness to accept the risk and lack of liquidity that are characteristic of an investment in the Fund.

# Important information (2/2)

World Fund is registered as external alternative investment fund manager of the Fund with the German Federal Financial Supervisory Authority (*Bundesanstalt für Finanzdienstleistungsaufsicht - BaFin*) pursuant to section 2, subsection 4, in conjunction with section 44 German Investment Code (*Kapitalanlagegesetzbuch*). The World Fund has not submitted itself to full regulation under the German Investment Code. Therefore, material investor protection provisions of the German Investment Code, as well as the strict requirements in relation to alternative investment fund managers subject to a license, do not apply to the Fund or World Fund. Furthermore, the Fund's management may also decide to be registered as EuVECA Manager in accordance with Sec. 2(6), 337 German Investment Code and Regulation (EU) 345/2013. Even after the completion of this registration process (which the Fund's management may consider), the Fund and its management entity will not be authorized by BaFin and will, therefore, not be a regulated Alternative Investment Fund under the German Investment Code. An investor in such "unregulated" fund is only covered by the rules and regulations as set forth in Regulation (EU) 345/2013 but will not be covered by the rules and regulations made for the protection of investors by the German Investment Code. In accordance with the provisions of the German Investment Code and the Capital Investment Act (*Vermögensanlagengesetz*), the Fund does not intend to prepare a prospectus and, therefore, will not obtain a prior permission of such prospectus with BaFin.

THE INTEREST IN THE FUND MUST NOT BE OFFERED TO OR PLACED WITH RETAIL INVESTORS. THEREFORE, THE FUND WILL ONLY ACCEPT SUBSCRIPTIONS BY (SEMI-)PROFESSIONAL INVESTORS AND OTHER EUVECA-ELIGIBLE INVESTORS AS SET FORTH IN ARTICLE 6 (1) OF REGULATION (EU) 345/2013.

This presentation was created as of 08.04.2022 and issued on the terms as above.
