# Analyzing Nike's "Just Do It"

How Simplicity in Copy Drives Powerful Messaging

"Just Do It"- Three simple words that revolutionized marketing.

Let's explore how this minimalistic approach became a global success.

### Why Simplicity Works?

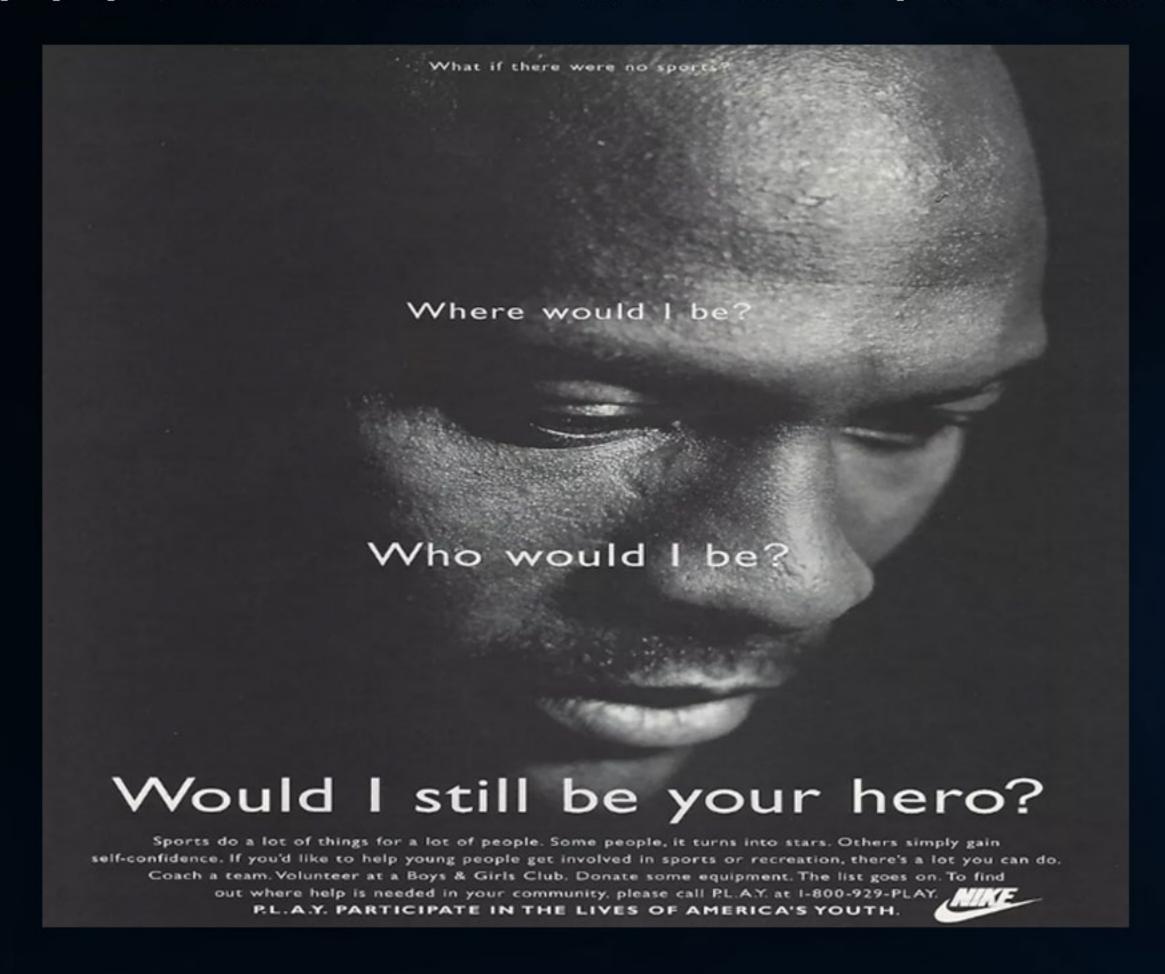

01. Applies to everyone from elite athletes to everyday individuals.

02. Instantly resonates by encouraging action.

### 1995 Ad with Michael Jordan

Message: Shows how simplicity can underscore an iconic figure's determination, making the message both aspirational and relatable.

Designed by Shihab

### 1988 Launch Ad

Message: Perseverance and action, simple yet relatable.

# You might be wondering how simplicity in copy is helping NIKE?

Here is how....

# Memorability

The brevity makes "Just Do It" stick in the mind. Which consistently reinforced Nike's brand identity.

# **Brand Identity**

Aligns Nike with action and achievement. Over decades, "Just Do It" remains a key part of Nike's identity.

### Takeaway:

Keep your messaging clear, direct, and emotionally resonant for lasting impact.
